DETAILED ACTION

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 1.

CFR 1.67(a) identifying this application by application number and filing date is required. See

MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

The oath was altered after 5/9/96 by David P. Reed. MPEP 608.01 states "The wording

of an oath or declaration cannot be amended altered or changed in any manner after it has been

signed. If the wording is not correct or if all of the required affirmations have not been made, or if

it has not been properly subscribed to, a new oath or declaration must be required. However, in

some cases, a deficiency in the oath or declaration can be corrected by a supplemental paper and a

new oath or declaration is not necessary."
